Re: Millennium Global Prosperity

To Whom It May Concern,

This letter is to show support for Mr. Leonidas J. Gutierrez and his new organization, Millennium Global Prosperity. Mr. Gutierrez has been involved with the Hispanic Chamber of Commerce of Metropolitan St. Louis for many years, and is well known in the St. Louis community. He has been active in many Hispanic and Latino organizations, working to better the way of life for Latinos in the Metro region.

Mr. Gutierrez's dedication to the mission of Millennium Global Prosperity has been demonstrated in his commitment to the Hispanic Community. His knowledge and understanding of the Latino community and of Latin American issues will serve him well in his new venture. The Hispanic Chamber of Commerce would like to pledge its support to both Mr. Gutierrez and the Millennium Global Prosperity organization. We hope to be a partner in their mission, and help to advance the Hispanic Community within St. Louis and the greater Metro area.

Sincerely,

Karlos Ramirez
